

# **ILLAWARRA ABORIGINAL MEDICAL SERVICE**

**Wollongong  
150 Church Street**

**Dapto  
130 Princes Highway**

# HISTORY

- ❖ **1983 – Origins of the IAMS begin in a small tent at Coomaditchie. Service operates with one doctor one day per week servicing local Aboriginal community.**
- ❖ **1984 – IAMS becomes incorporated. IAMS now eligible to apply for funding and service moves to a small house in Church Street Wollongong.**

# EXPANSION AND GROWTH

**New premises built in 1998 at 150 Church Street, Wollongong at a cost of \$1.8 million**

**Additional premises set up at Dapto in 2005**

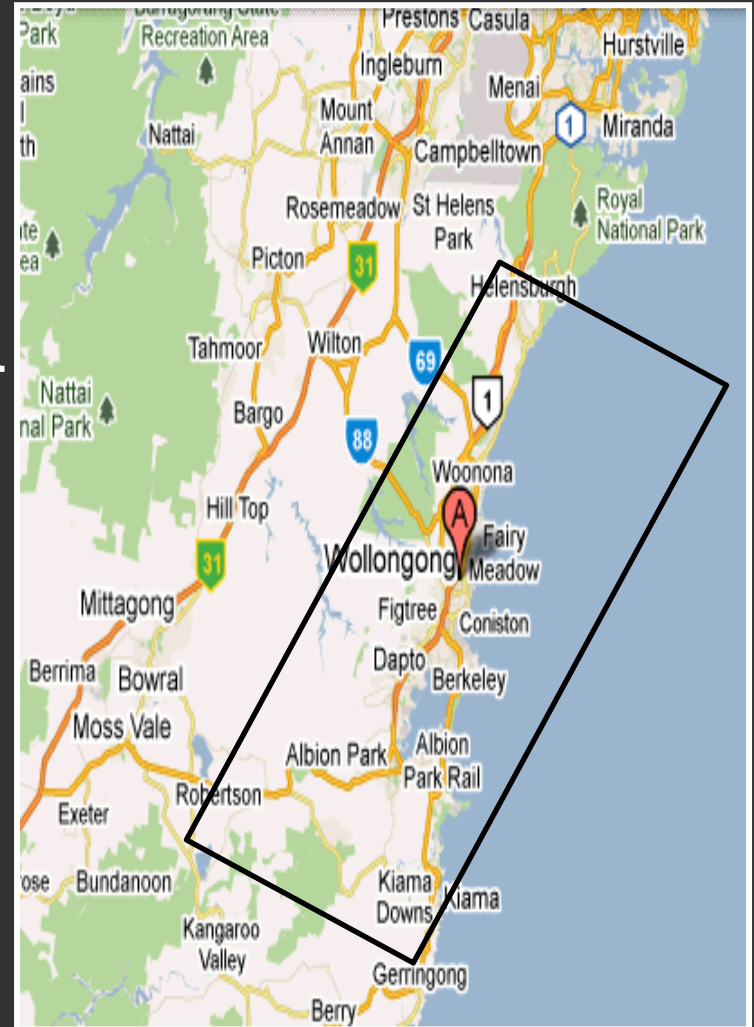

**Top Floor extension on Wollongong Premises in 2008**

**Both premises now providing medical services to the Aboriginal Community**

# COMMUNITY CONTROL

- ❖ **IAMS is a community controlled organisation governed by a Board of Directors who are annually elected from the Aboriginal Community. Membership boundaries extend from Helensburgh to Gerroa and eligibility is Aboriginal and Torres Strait Islander people over 18 years of age.**

# FUNDING

**Funding for the IAMS is  
70% Commonwealth (OATSIH)**

**and 25% State Funded (NSW Health)**

**5% Dept of Community Services**

**Income also generated through Medicare  
(Bulk Billing)**
