# Defining your team...

- What's happening on the ground at the moment – who's been employed and for how long?
- Who do you report to?
- Have you seen your contract and the contracts of the IHPO and ATSIOWs?
- Have you discussed your role with the IHPO and ATSIOW?

# Defining your team...

- What team are you are part of?
- Who is on your team?
- Is there a team structure in place?
- Do you have regular team meetings?
- Do you have a team leader?

# Building your team...

- Do you have a plan for how you will work together?
- Describe how your role works alongside the others in your CTG team?
- Is there general agreement on the roles and the scope of work of each team member?

# Building your team...

- Do you work alongside other Division based programs? e.g. LMP, ATAPS, Immunisation, ANSC, Accreditation, IT/IM, others?
- Describe how you are working alongside these programs?
- Are there other programs also providing care coordination in your area, if so describe how you are working alongside these programs?

# Building your team...

- Describe how the Care Coordinator and the Outreach Worker work together in your team?
- What have your experiences been with developing your internal team?
- What have been your experiences been with developing external partnerships?
